Remarks

Sought after West of Trail location close to Southside Village and on a cul-de-sac street. The home boasts almost 3000 square feet of airy living space and an open floor plan with vaulted ceilings. The kitchen with countertop seating overlooks the great room and dining room. The bedroom layout is a split plan with the large primary suite opening to the pool area and featuring a rainfall shower and garden tub plus double vanities. Two guest bedrooms share an updated bathroom with the fourth bedroom on the other side of the home and a separate bathroom with shower in hallway. A large family room is off the kitchen and dining room areas and has another full bathroom and French doors that open to the pool. An over-sized utility room off the kitchen has an extra refrigerator and built in cabinetry. The expansive caged in pool area with spa allows for ample entertaining space with plenty of fenced backyard beyond, allowing for wonderful indoor/outdoor entertaining.
